

16/10/24

Hello I have sent out some activities to do over the half term. One is an autumn hunt to see what you can find. We have read a book called 'Leaf Man' which the children have loved. We have found leaves and drawn faces on. So they may want to do this with you. You can find the book audio on YouTube too if you wanted to read it. There are some phonics words and activities to have a look at too.

Next half term our theme is 'Let's Celebrate' We would love to see your family photos of your celebrations so that we can share them in our afternoon sessions. This could be birthdays, weddings, christening, Eid, Diwali and celebrations that you have taken part in. The more the merrier. Photos sent via seesaw would be perfect, I'd hate to be responsible for your wedding album! If you have photos to bring in, can I please photocopy them and give them back so we can display them in our room :)

Many thanks, EYFS team.
