

3/11/24

Hello Last week we started our new term with the theme ' Let's Celebrate' we are looking at Diwali first, and we hope those who celebrate Diwali have had a super weekend celebrating. We will continue looking at Diwali and then we will be looking at your celebration photos. Please send in your photos, the more we have the better- we would like a celebration wall.

In English, we started with the book Mrs Blackhat, linked into Halloween. We made lots of potions and scooped out a pumpkin, investigating the different textures. We have looked at the numbers 6 and 7 this week and moving on to 8,9 and 10 next week. The children are doing so well with the maths :) Phonics we are making good progress. We are focusing on blending every day as this is the area parents expressed their worries in at parents evening.

Thank you for sending in your Autumn work from the half term, we enjoy looking at your photos and seeing the learning and experiences with their family.

A message from Mrs Gomersall, please make sure children wear black school shoes, not boots and make sure that headbands are blue. Ear-rings are not worn on PE days and that they are small studs. All this is in the uniform policy.

Many thanks EYFS team.
