

29/11/24

This week has been a busy one. It has been Ofsted inspections and EYFS was visited many times. The children were amazing, we are very proud of them all. In literacy, we have continued with Chapatti Moon. We have enjoyed making and tasting chapattis on Monday. This was a fun activity and lots of children tried chapatti for the first time and really enjoyed it.

In maths, we have been looking at adding 2 amounts within 10. We have used pegs to help us visually see the numbers. This has linked into birthdays by using cakes with candles too. We have continued to look at celebrations- birthdays. The children have loved making cakes in the play dough area, adding candles and creating a tea party in the home corner. please continue to send in birthday photos, we love seeing them.

Monday is book change day where you will get 2 books. The children are encouraged to change them independently. For the school show, costumes can be brought in now. Please name the clothes as with 60 children in EYFS, it will make our job easier if clothes are named and in a named bag please, not just in their school bag.

Thank you for all of your kind donations today, we do hope to see you at the fair on Monday after school.

Have a good weekend, many thanks, EYFS team.
