Who’s A Big Bully? – Michael Morpurgo

Sophie’s Tom – Dick King-Smith

English

In this half term we will be writing a story that is set on a farm, based on our class novel Muddlepuddle Farm.

We will also write riddles and persuasive adverts. We will look for and use different types of sentence (statement, question, exclamation and command.)

Maths

During this half term we will be looking at length, addition and subtraction, 2D and 3D shape, fractions, position and direction and time.

Curriculum Web
Spring 2

Science

As scientists this half term, Year 2 will be observing and describe how seeds and bulbs grow into mature plants.

We will find out and describe how plants need water, light and a suitable temperature to grow and stay healthy (and how changing these affects the plant.)

We will also learn that plants are living and eventually die.

Art

We will be learning about the artist Alma Thomas. We will be learning about the colour theory and creating large scale paintings and pebble paintings.

Computing

During computer coding the children will be coding algorithms that have different sorts of inputs. They will also be learning about online bullying and online reputations.

R.E

Pupils will examine Islamic beliefs and practices linked to prayer. Opportunities are provided for pupils to explore the significance of prayer as one of the Five Pillars of Islam and to consider the purpose of prayer for religious people.

Within this, they will discuss the importance of rituals and how these might unite communities and give a sense of order, security and belonging to individuals.

Music

The children will sing and perform songs with body percussion accompaniment e.g. Simama Kaa. They will sing back short melodies that use 2-3 notes.

We will introduce recorders, look at simple staff notation for the note B. We will also improvise simple 4-beat rhythms using drum sticks.

D.T

The children will learning about cooking and nutrition. They will be designing, making and evaluating a dip/sauce.

PSHE

The children will be learning about the benefits of exercise and relaxation on physical health and wellbeing; strategies to manage different emotions, setting goals, developing a growth mindset and understanding dental hygiene

P.E

Football – The children will be developing their kicking skills through a range of small sided games.

They will also learn about the tactics and skills needed for invasion games.

Curriculum Enrichment:

The children will visit a mosque this half term as part of their work on Islam.
